ST. LEONARDS TEAM WINS ANOTHER GAME

In a fast and interesting game, the St. Leonard's Lyceum base ball team acquired their third straight victory at the expense of the Donora Independents by the score of 5 to 2. The game was nip and tuck until the eighth inning, when by a spirited spurt, which seemed to surprise their opponents to the extent of their making several misplays, the Lyceum boys scored three runs, which were more than enough with the air tight pitching of Lafferty. Both Lafferty and Ryan, the two main pitchers, give great promise this year as without any training or practice they are pitching excellent ball and holding heavy hitting teams to comparatively few hits. Both are exceptionally good batters and are showing up well was the stick. A second baseman of promise was picked up in the person of "Kelly," a young fellow from Glassport who is working in Monessen. His fielding was easily the feature of the game, this also being his first game with the local boys. The rest of the team is composed of some good ball players and as the season progresses, better games can be expected. On account of there being a field meet Saturday, May 15th, the Lyceums will play away from home, but on Saturday, May 22nd, the team will play the St. Jerome's Lyceum of Charleroi on Page park. Game starts at 3 o'clock. Everybody invited.

Manager Cowan Makes Big Hit With Vaudeville

Manager Tom B. Cowan of the Star theatre evidently knew what he was doing when he introduced vaudeville at his place of entertainment. The house was crowded last night to enjoy the first night of Linton De Wolfe's Broadway Follies, a musical comedy. People must have been hungry for a taste of vaudeville the way they turned out last night and no person who saw the show was the least bit disappointed. The beauties were there all right, dimples from Broadway, and the best of it all is that the longer they stay the better people like them. Gee, won't that be awful. By Wednesday night there will be a rush for the door.

This company has special scenery and stage effects corresponding with their show. The program changes daily and there is a matinee every afternoon at 2:30. There are two shows in the evening at 7 and 9. Don't miss seeing this show. Take it from us, its good.

Trial of Minister Bigamist today

Milwaukee, Wis., May 11—Rev. James Morrison Darnell, the much married preacher of Kenosha, Wis., will be taken into the U. S. District court today for trial under the Mann white slave act. Darnell's escapades were exposed last January, while he was occuping the pulpit of a prominent church, and his exit from Kenosha occurred at 3 o'clock one morning, it was said, after resigning. The complaint against the preacher was signed by the Chicago investigator for the government, and it charges that on November 20, 1914, Darnell illegally transported Ruth Soper from her home in Owatonna, Minn., to Kenosha. Ruth Soper is the mother of his four year old son. Miss Sopher is the daughter of a Minnesota publisher, and was a co-ed at the University of Chicago when Darnell was completing his theological studies there.

According to the stories told in Kenosha, Rev. Darnell told the trustees of the church that he was married and would bring his wife to the city later. He had met in Chicago 17 year old Doris Vaughn and after a whirlwind coursthip, married her. Telling his bride he was soon to prepare a home for her, he kissed her goodbye and took up his church duties at Kenoscha.

Soon ofter his arrival in Kenosha, his "wife and baby" arrived. The wife was Ruth Soper, it is alleged. Then came a letter to the minister that his Chicago bride was coming. Rumors were flying about, and the church wardens investiigated, Rev. Darnell leaving town immediately afterward.

Meonwhile his Chicago wife, Doris Vaughn Darnell began divorce proceedings, and testified that she had visited Kenosha, at which time her husband had confesed to her that he was living with another woman.

According to his Chicago wife, Darnell had previously married Ethel Spurgeon Darnell of Avon, Ill., who divorced him.

TWO PIONEER LAND MARKS THREATENED

Two of the old landmarks of Monessen will soon give way to progress. They will soon be all in. One is the first office of the Daily Independent, located at the head of Fifth street, and the other is its side kick, its next door neighbor. Both are frame shacks, among the first in the town and set high up on the bank. The excavation at the side of them for a three story brick building for Jake Bornstein and John Reed on the lot they purchased from the Elks has endangered them.

Several days ago there were indications that the houses would tumble down and every attempt was made to support them with heavy timbers, but the recent heavy rains so weakened the ground along the line of excavation that they began to crack and settle yesterday, and early in the evening it looked as though they would both tumble down any minute. Alex Pangburn occupied the place that was the former home of the Independent, and a foreign family the other. Both families moved out last night to places of safety and far into the night curious people watched to see the crash, but at this writing both houses are standing on the edge of the excavation.

The property is what is known as the old Carothers lot, but now belongs to Simon F. Loeb of McKeesport. E. M. Frye is the local agent and Mr. Frye had great alarm for the safety of the families, and he hoped the wall would be built and that the houses could be saved, but his hopes vanished. A few nights ago Mr. Frye saw visions in his sleep of the houses tumbling down. He awoke in a sweat and after he had cooled off a little he dressed and came down the hill and worked several hours putting heavier timbers up and he felt sure he had both the structures ably supported, but this morning he has given up all hope and has made up his mind that the houses are doomed.

While Mr. Frye's interest in the property is only pecuniary, the writer, who is the founder and owner of the Independent, is interested from a standpoint of pioneer affection, for it was here that the paper was started and where an offer of $25.00 for a half interest in the plant and good will was turned down flatly. The price was $30.00 and the value was largely considered owing to the great amount of good will the company controlled at that time. But there is one comforting thought in case the building goes down, we still have the "fortigraph" in our sanctum and when we want to refresh memories of old times we can take it down, look it over and emotionally recite the poem, "backward, turn backward, oh time" etc.

FIRE DEPARTMENT EXTINGUISHES EARLY MORNING FIRE

At 3:30 this morning the volunteer fire department was called out to extinguish a fire at 835 Schoonmaker avenue in a house owned by Jake Abrams. The flames had not gained much headway when the department arrived and the fire was soon out. It was started in the attic where a young man, Elias Bezzer occupied a room. When he retired for the night he placed a candle on the window sill and this is where the fire started. It burned considerable about the window spreading to the floor where much damage was done.

E. M. Frye is agent for the property. The loss is covered by insurance.

SIXTH STREET PARK WILL HAVE A NEW BAND STAND

C. F. Mentzer, chairman of the music committee of the Board of Trade, and A. N. Shuster are out with a subscription paper for the purpose of raising money to erect a band stand in the Sixth street park. They are meeting with good success, hardly a man turning the paper down. They have plans prepared for the stand and when erected it will add greatly to the appearance of the park and prove an enjoyable feature for introducing summer concerts. The stand is also arranged for a speakers platform. It is estimated to cost about $350.00. There is no doubt but what ample money will soon be subscribed and the committee will then let the contract and push the little building to early completion.

Four Year Old Boy Dies from Lockjaw Today

Frank Doney, aged four years, son of John Doney, died this morning in the McKeesport hospital of lockjaw. A few days ago the child tramped on a nail and the wound had healed, but later blood poison set in resulting in lock jaw which caused death. Two years ago the wife and mother was drowned while bathing in the Monongahela. Since Mrs. Doney's death, the family have been living at the home of Mr. and Mrs. Peter Amann, 60 Linden avenue.

The child's body was brought home today and interment will be made tomorrow. The funeral will take place tomorrow afternoon at 3 o'clock from St. Leonard's church.

New Trial Asked In Hunter Case

The papers were filed yesterday for a new trial in the case of W. D. Hunter against the borough. A number of reasons why a new trial should be granted are set forth. The argument will likely be some time during the present month and in case Judge Copeland refuses the request, the case will go to the Supreme court. Dr. Hunter states that he will not let up in his contention until he has exhausted every legal effort at his command to obtain the damages he believes to be due him.

Fxhibition of Physicial Training

Thursday evening of this week the Turners will give an exhibition of physical training in the hall at the corner of Donner and Second that promises to be out of the ordinary and interesting to all who enjoy this kind of work. A good program has been arranged. In addition to the exercises there will be music by the orchestra and dancing. The public generally is cordially invited to come and witness these exercises as they are of a helpful and educational nature. 82-3t fp

TRUE BILL AGAINST DEFENDANT

A true bill was returned in a short time by the grand jury at Greensburg in the case of Sarah Ann Nichols, prosecutrix in a serious criminal charge against James Kennedy. Both parties are from Monessen. This was the first case called in Judge McConnell's court. The prosecutrix, a young woman about 23 years of age, appeared on the witness stand with her three months old child. She accused James Kennedy of being the father of the child and alleges that at the point of a revolver, the defendant forced her to immoral actions. Many witnesses were called on both sides whose testimony varied to the character of the parties involved in the trial. Assistant District Attorney George Barron is representing the commonwealth and Attorney W. T. Dom the defendant.

Rev. Bungard Fights Bill

Harrisburg, Pa. (Special)—The Erie Canal bill carried today in the lower house by a vote of 111 to 70. One of the most bitter opponents of the bill was Hon. B. F. Bungard of Monessen. Rev. Bungard opposed the bill for the reason that it was liable to place unlimited taxation upon his constituency without benefits and puts all the power in the hands of a canal commission. Rev. Bungard is like a whole raft of people in this commonwealth who believe that too much power is being delegated to commissions.

Weber and Heilbroner Straw Hats are Ready

NEW YORK'S newest straw hat is the "TAIHO" now on exhibition and sale at this store.

It is being shown at the same time in the nine Weber and Heilbroner hat stores in New York city—and in the leading store of each of several hundred other cities.

★ ★ ★

This hat conforms to the style requirements of the season in New York and is the representative hot weather hat of the metropolis.

★ ★ ★

It takes its name from the "Taiho" braid—specially imported from Japan for these hats, for which the EXCLUSIVE AMERICAN RIGHTS have been secured by Weber and Heilbroner.

It is a smart, medium rough sennit, "picked up" by hand, giving it a different appearance from a machine-pressed hat—which always looks painfully perfect.

★ ★ ★

The "TAIHO" sells for $3—the standard price of the Weber and Heilbroner hats.

This store has the exclusive agency for these hats in this city.

AUTOMOBILE LICENSE BILL IS DEFEATED

Harrisburg, Pa., May 11—The administration's revenue plan had stormy sailing in the House tonight. The bill to increase the automobile license fee in order to raise money for highway improvement was defeated by a vote of 59 ayes and 120 nays.

Just before the motor tax bill fell, the House for a second time defeated the measure to place a tax of 2 cents on every $100 worth of stock transfers. The legeslation was not discussed. There were 89 votes for it and 73 against.

The only revenue bill to get through was the one placing the cost of the primaries on the state. It was passed by a vote of 122 to 51. As this bill has passed the Senate it now goes to the governor. It will save the state about $800,000 a year, the cost of the primaries being borne by the counties.

Chairman C. J. Buckman of the Senate Appropriations committee said tonight that he had not yet agreed to support the bill giving $1,000,000 for establishment of vocational schools to help carry out the proposed child labor bill. He thinks that unless new revisions are found the appropriation will have to be cut.

Representative Lipschutz spoke for the auto license fee bill, stating that it originally had called for doubling the fees and was reduced by stages to 50 per cent. and finally to less than 25 per cent. He said the state needed the money for roads.

Representative Herman of Wyoming county opposed the bill, saying that the autoists were paying enough tax. Representative Habgood of McKean county also opposed the bill. Representatives Wilson of Jefferson, Walter of Franklin and Barnett of York spoke for the bill.

HUFF WILL IS PROBATED

The will of Lloyd B. Huff, late of Hempfield township, who died at his home at Rose Fountain Farm, Greensburg, May 5, was admitted to probate and filed in the register of wills office this week. The will leaves the bulk of the estate to the wife and children of the deceased to be administered by the executors.

The will provides first that all just debts and funeral expenses be paid. Secondly the testator bequeathes to Grace R. Snyder the sum of $1,000 for her many years of excellent care of his daughters, and "whose life has been a living example of Christianity." The money is payable one year after the death of the testator. To William Moline, an employe of Mr. Huff is to be paid the sum of $500 for his faithful services.

To the wife, Eleanor M. Huff, absolutely all the personal property and household goods, vehicles, etc., are to be turned over. Eleanor M. Huff is to have a life estate in the home, and all buildings on the home site as a home for herself and children as long as they remain together. In the case of a second marriage, the estate passes into the general fund. The expense of maintenance of the estate is to be paid out of the general fund. Only with consent of the wife of the testator can any property be sold by the executors.

The residue and remainder of the estate, real and personal, is devised absolutely to Eleanor M. Huff, wife of the testator and his two daughters, Eleanor M. Huff and Elizabeth Huff.

Eleanor M. Huff, the wife, a brother Julian B. Huff and William S. Moorehead are named as executors of the estate. The executors are given full power over the estate in all matters, the majority of them to prevail in matters in questions.

"What company are you in?"
"I don't bother about details."
"Ever take note from your customers?"
"Sometimes."
"Ever take a note without knowing the name of the man who made it?"
"Well, I guess not!"
"What is a note, anyway?"
"A promise to pay."
"What's a fire insurance policy?"
"I get you! A promise to pay if you have a fire."
